Cookie Policy for Leap Solutions ApS

Last updated on 9 November 2026

This cookie policy explains how Leap Solutions ApS uses cookies on the website leapx.dk and what choices you have.

What are cookies

A cookie is a small text file that is stored on your computer, phone or tablet when you visit a website.

Necessary cookies

We use necessary cookies to make the website work, for example by remembering your cookie choices. Necessary cookies do not require consent.

Analytics cookies

If you give your consent, we use Google Analytics to collect statistics on how the website is used, for example which pages are visited and for how long. This helps us improve the website. Analytics cookies are only set once you have accepted them.

The information is linked to a randomly generated cookie ID and not to your name, and Google Analytics does not store your IP address. Statistical data is automatically deleted after 2 months.

Google Analytics is provided by Google Ireland Limited, which processes the information on our behalf. The information may be transferred to the USA on the basis of the EU-US Data Privacy Framework.

Cookie	Provider	Purpose	Expiry
_ga	Google Analytics	Distinguishes between visitors using a random ID	2 years
_ga_<id>	Google Analytics	Stores the status of your current visit	2 years

Marketing

We do not use cookies for marketing.

How to change or withdraw your consent

You can change or withdraw your consent at any time by clicking the cookie icon at the bottom of the website and changing your choices. You can also delete cookies in your browser. How to do this depends on which browser you use.

More information

Read more about how we process personal data in our privacy policy.
